**Volunteer leaders will complete a comprehensive classroom training on 28 Mar 2019, co-lead one session with the artist, and run two sessions independently**

**Role Summary:** Together with fellow community volunteer leaders, you will plan and implement up-cycled art activities for seniors with mild cognitive impairment or dementia and their caregivers.

You will be trained prior to the sessions, and the training includes knowledge on how to communicate effectively with persons with dementia and engage in art activities with them. Our artist will also impart her art skills and knowledge to you. After co-leading one session with the artist, you will be responsible to plan and implement two other sessions with fellow community volunteer leaders.

### **Venue for Classroom Training**

Alzheimer's Disease Association (ADA)  
70 Bendemeer Road, Luzerne Building  
#06-02.
