
Deemed Consent Notification

Dear Sir/Madam,

Alzheimer's Disease Association ("**ADA**", "**our**", "**us**", "**we**") will be undergoing corporate reorganisation to form Dementia Singapore Limited ("**DSG**") to better serve our objects and purposes. With effect from 1st September 2021, DSG will take over the functions and operations of ADA.

In connection with the reorganisation, we will need to disclose your personal data to DSG for the following purposes:

- (a) for the purposes of our corporate reorganisation, so that DSG will take over the functions and operations of ADA; and
- (b) for the purposes of DSG's collection, use and/or disclosure of your personal data in accordance with DSG's privacy policy, a copy of which is accessible at <https://dementia.org.sg/about/pdpa/>

If you have any concerns in relation to the above arrangement, or if you do not consent to such disclosure, please notify us by contacting our Data Protection Officer via email at dpo@dementia.org.sg on or before 27 August 2021. Otherwise, we will proceed with the above arrangement on the basis of your deemed consent.

Please do not hesitate to contact us if you require any clarification.

We look forward to serving you and providing our services through DSG following the reorganisation, and we hope to continue our work in building towards a dementia-inclusive society.

Yours faithfully,

Jason Foo
Chief Executive Officer
Alzheimer's Disease Association
