Trainers' Profile

Ms Fong Yoke Leng is a trained nurse with many years of experience in managing social, rehabilitation and dementia day centres. As one of the lead trainers for the Dementia Singapore (formerly known as Alzheimer's Disease Association (ADA) Training Programmes, she has inspired many caregivers with her dynamic training style and passion for dementia care. Fong was formerly the Centre Manager of ADA's New Horizon Centres at Jurong Point and Tampines, and the coordinator for the MINDVital and MINDActive programmes at the Centre of Geriatric Medicine, Tan Tock Seng Hospital. These programmes were for persons with dementia and their caregivers in the Cognitive and Memory Disorders Service. Fong holds a Master of Clinical Rehabilitation from Flinders University, Australia, and has attained the WSQ Advanced Certificate in Training and Assessment (ACTA).
