### Trainers' Profile

Joanne Lov is a DACE and ACTA certified full time dementia care trainer with Dementia Singapore (formerly known as Alzheimer's Disease Association (ADA). She is also a certified Dementia Care Mapping (Basic User) by University of Bradford and Spark of Life certified facilitator. Joanne has conducted training sessions for family and professional caregivers. She is passionate about dementia care and has actively involved in public education on dementia awareness, including raising dementia awareness among seniors at senior activity centres. Prior to becoming a fullfledged trainer, Joanne was a key member of the Eldersit team in ADA which her main role was to provide guidance and taught eldercare workers on ways to engage persons with dementia in meaningful activities at home.
